Vice-President Miller called the Council to order at 3:00 p.m. in the Effingham Room of the Martin Luther King, Jr. University Union.

The agenda items were reviewed by Vice-President Miller and the CUPB was reminded that any space reallocation exceeding 5000 net assignable square feet required CUPB review.

- Buzzard Education Building, first and second floor, north wing
- Blair Hall
- Old Main, first floor west

Today's meeting was originally scheduled for a preliminary review of academic NEIPR's. Since Vice-President Soderberg could not attend, another meeting was scheduled for this purpose on December 16th at 3:00 p.m.

Dr. Miller reviewed the staff analysis of present space usage on campus and the results of that analysis.

Buzzard Education Building

Dean Lutz made the presentation on the BEB project describing areas gained and lost in the reallocation within BEB to consolidate the activities of the School of Education to the second floor and first floor north. The Council did not raise any objections.

Blair Hall

Dean Ivarie discussed plans regarding space needs for Blair Hall, which would probably involve a capital request for an addition. No action is needed until plans are final, but the direction taken to find an acceptable solution to the space problem was presented. President Marvin reiterated that in our representation to the BOG and IBHE, EIU's first and second capital priorities for the next few years are BEB and Blair respectively.

Old Main -- First floor, west corridor space.

Vice-President Williams and Mr. Beacon (Admissions) discussed a proposed plan to utilize space in corridor for reception area to serve students and parents during the admissions process. Discussion indicated further planning is needed to insure retention of the aesthetic features of Old Main's hall area.

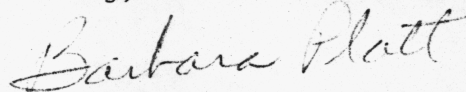

Planning/Budgeting Process

Revised Budget Schedule -- Dr. Liu reviewed schedule changes recommended to the CUPB by the staff for the FY82 Planning/Budgeting Cycle.

President Marvin reviewed possible policy changes in funding for higher education at the IBHE and the Governor's level.

The meeting was adjourned at 5:00 p.m.

The next meeting is scheduled for Tuesday, December 16th, at 3:00 p.m. in the Effingham Room of the Martin Luther King, Jr. Memorial Union.
